

The Unique Learner's Bill of EnLIGHTened Rights™

Learning

You Have the Right to:
Feel good about and have fun learning
Embrace your learning style and use it to your advantage
Be given the space to create, think, process and learn in your own way

Freedom

You Have the Right to:
Not be defined by labels or test results
To have teachers that understand you and are excited to teach you
To be the solution, not the problem

Brilliance

You Have the Right to:
Be given the chance to shine brightly
Be celebrated for exactly who you are
Discover your own brilliance

Confidence

You Have the Right to:
Believe in yourself and know you matter
Have a voice and share it with confidence
To know and feel like you are enough exactly as you are

Fun

You Have the Right to:
Play, have fun and be a kid
Feel safe and included in school and at home
Be open and share yourself with all those around you

Creativity

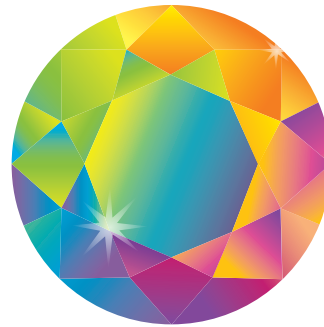

You Have the Right to:
Be extremely gifted and twice exceptional
Use your unique gifts to your advantage
Inspire others with your creativity

Health

You Have the Right to:
Be a healthy and happy human on all levels
Learn how to let go of stress
Have your needs met with ease and acceptance

Limitless

You Have the Right to:
Have your family understand and accept you just as you are
To see your challenges as opportunities
To reach your fullest potential
